Erewashed by Stuart

Stuart finds some form to pip dynamo on the day with 33 points. 19 points on the front 9 followed by 14 on the back, where the wheels slightly fell off – but the has got to protect that handicap for the Players weekend. Only one no return and the card and on the way winning his matchplay by beating last events winner. The grim reaper made sure of that. Looking at the card it does look like a card without any mistakes. Started strongly and held it together using his shots wisely.

Steve Dynamo comes in second on countback as his was putting in the handicap protectors in after giving me a hammering of 9 & 8. Best I have seen him play to be honest. Well done mate. All the damage was on the front 9 with 20 points. Then we have wonder kid coming in at 3 with a level par front 9 playing off 0 and get the impression he was a little disappointed with his back 9. A magnificent round of 31 points off 0 is no easy task. A pleasure to watch and witness. DUCK POWER. Just wait till I get PANDA POWER. Back to -1 Mr DUCK.

The course? Without offending

Simon, not my cup of tea, regardless of how I played. Punished for hitting the ball straight on some holes. One to two goof holes which softens the blow but I wanted more character and more water for you guys to lose balls. The Quarry holes were interesting but were they challenging enough? Not happy though that I couldn't get the buggy down there and having to walk back up that hill. Overall, a nice course and we have played much worse. It is a course I would visit again in the future but not at the top of my list.

All competitions are now panning out nicely, just a little behind (ooh er misses) on the Matchplay but that will e resolved. Some of the competitions are close and I think and hope this year most of them will go down to the last event. I don't think you could pick a strong favourite of the Matchplay either.

The next event takes us to Walsall Golf Club, after we have hopefully had a splendid weekend away at the Players. As usual please get your monies in asap for this one. I look forward to seeing you all at the next event. Please stay safe and healthy.

Hi All

Please Please Please can we all ensure that when playing that we take all steps possible to avoid slow play. I have noticed we are starting to get worse and groups have been losing ground on the players in front of them which has an knock on effect to the groups following and causes some ill feeling which we all want to avoid.

Eight Tips Guaranteed to Improve Pace of Play

The tips below aren't designed to rush players but instead to help them be ready to play. With that in mind, here are eight tips for improving pace of play.

1. The easiest of all recommendations is to play ready-golf. There is no need to debate, particularly when you are in the fairway, who is furthest out. The first person who is ready should hit. That goes for the tee box as well.
2. If you aren't hitting, get ready to play. Know where and how far you want to hit the ball when it's your turn swing.
3. Don't wait in the BUGGY for you partner. Drop him or her off, go to your ball and get ready for your shot. If you want to leave the cart, that's fine, too, but take a couple clubs and start walking. Nothing wastes more time than sitting in the BUGGY watching someone else play.
4. Stroke and distance is the worst penalty in the game and it's the nemesis of pace of play. If you must adhere strictly to the rules, hit a provisional if there is any doubt.
5. Be aware of how much time you spend looking for balls in the woods.
6. Fill out the scorecard on the next tee box, not beside the green where you just putted out.
7. Golf is a thinking man's game and using your head before you get to the ball will speed up play.
8. Don't mark every putt. If you have a two-footer or something just outside the leather, go ahead and knock the ball in the hole. You shouldn't rush, but conversely, there is no need to slave over every putt as if The Masters is at stake.

If one player squanders just 30 seconds per hole, which isn't hard to do, that's nine minutes per round. The reality is the difference between playing in 4:00 and 4.30 hours isn't as great as some might believe.
